

VITAE

Wilfred G. van Gorp, Ph.D.

OFFICE ADDRESSES:

200 W. 57th St. Suite 603
New York, NY 10019
(212) 247-1350

333 N. Michigan Avenue
Suite 1801
Chicago, IL 60601

EDUCATION:

University of Louisville B.A. - Psychology	Louisville, Kentucky 1978
---	------------------------------

University of Louisville M.A. - Clinical Psychology	Louisville, Kentucky 1982
--	------------------------------

University of Louisville Ph.D. - Clinical Psychology	Louisville, Kentucky 1984
---	------------------------------

INTERNSHIP:

West Los Angeles VA Medical Center	Los Angeles, California 1983 - 1984
---------------------------------------	--

POST-DOCTORAL FELLOWSHIP:

UCLA School of Medicine, Dept. of Psychiatry Fellow - Neuropsychology	Los Angeles, California 1984 - 1985
--	--

BOARD CERTIFICATION:

Diplomate, American Board of Professional Psychology
American Board of Clinical Neuropsychology

PROFESSIONAL LICENSURE:

Licensed Psychologist (Clinical), State of California, #PSY9360 (inactive)
 Licensed Psychologist, State of New York, #012676
 Licensed Psychologist, State of Illinois, #071.007843

POSITIONS AND ACADEMIC APPOINTMENTS:

2012	Adjunct Faculty Argosy University
2001– 2011	Professor of Clinical Psychology (in Psychiatry) Columbia University College of Physicians and Surgeons Department of Psychiatry
2001 – 2011	Director, Neuropsychology Columbia University College of Physicians and Surgeons Department of Psychiatry
1996 - 2011	Attending Psychologist The New York Presbyterian Hospital
1996 - present	Adjunct Professor New York Medical College
1997 – present	Adjunct Professor Fordham University Department of Psychology
1995 - 1996	Interim Chief, Psychology Service West Los Angeles VA Medical Center
1994 - 1996	Associate Professor UCLA School of Medicine Department of Psychiatry and Biobehavioral Sciences
1993 - 1996	Director, Neuropsychology Assessment Laboratory UCLA School of Medicine Department of Psychiatry and Biobehavioral Sciences
1993 - 1995	Director Geriatric Psychology Training Program

Joint UCLA/VA Training Program

1990 - 1996 Co-Director of Neuropsychology Training
UCLA School of Medicine

1987 - 1996 Department of Psychiatry and Biobehavioral Sciences
Chief, Neuropsychology Assessment Laboratory
West Los Angeles VA Medical Center

1988 - 1994 Assistant Professor in Residence
UCLA School of Medicine
Department of Psychiatry and Biobehavioral Sciences

1985 - 1988 Assistant Clinical Professor
UCLA School of Medicine
Department of Psychiatry and Biobehavioral Sciences

1985 - 1996 Staff Psychologist
West Los Angeles VA Medical Center

1996 - 2001 Associate Professor of Psychology in Psychiatry
Weill Medical College of Cornell University

1996 - 2001 Director, Neuropsychology Assessment Program
Weill Medical College of Cornell University Mental Health System

1997 - 2010 Adjunct Professor of Psychiatry
New York Medical College

1998 - 2001 Associate Attending Psychologist
Memorial Sloan Kettering Cancer Center

2001 Professor of Psychology in Psychiatry
Weill Medical College of Cornell University

1997 - 2010 Adjunct Professor of Psychiatry
New York Medical College

TEACHING EXPERIENCE:

2012 Research Methods
Argosy University

1992 - 1995 Psychiatry 417, Advanced Geriatric Psychiatry Seminar

UCLA School of Medicine

1987 - 1996 Psychiatry 447, Neuropsychology Seminar (NIBBL)
UCLA School of Medicine

1987 - 1993 Psychiatry 425.3, Neuropsychology Case Conference
UCLA School of Medicine

CONSULTANTSHIPS:

2009 - Consultation to the American Bar Association Standing Committee on Federal
Judicial Improvements

1998 Advisory Council, PAR-NAB
Psychological Assessment Resources--Neuropsychological Assessment Battery
Odessa, Florida

April, 1995 Representative, Practice Directorate of The American Psychological Association
Centers for Disease Control and Prevention, Atlanta, Georgia
Meeting with Director of the CDC, Dr. David Satcher

May, 1993 Visiting Lecturer to Program of Harry van der Vlugt, MD
University of Tilburg, Tilburg, the Netherlands

1991 Consultant, Delta Airlines, Inc.

1990 Advisor, World Health Organization
Global Programme on AIDS
Consulting visit to Geneva, Switzerland, 1990

REVIEWER AND SCIENTIFIC REVIEW BOARDS:

2008 National Institute of Health
Behavioral and Social Consequences of HIV/AIDS (BSCH)
Reviewer; November 13-14, 2008

2007 National Institute of Health
NeuroAIDS and Other End-Organ Diseases Study Section
Reviewer; October 29, 2007

2006 National Institute of Mental Health
Special Emphasis Panel
Review of T32 Grants

- 2005 National Institute of Mental Health
Special Emphasis Panel
AMH1 ERB-N (07)
Centers Program for Research on HIV/AIDS and Mental Health
- 2003 National Institutes of Health
National Institute of Neurological Disorders and Stroke
Special Emphasis Panel ZNS1 SRB-A-01, NeuroAIDS
- 2001 National Institute of Mental Health
Special Review Committee ZMH1 BRB-S (01)
- 2001 National Institute of Mental Health
Special Review Committee ZMH1
- 2000 Scientific Review Board
Center for Medicinal Cannabis Research
University of California, San Diego
- 1999 National Institute of Neurological Disorders and Stroke
Special Review Panel (ZNS1-SRB-W 04)
- 1998 National Institute of Mental Health
Neurobiology of HIV Infection
Study Section ZRG1 AARR-8 (01)
November, 1998
- 1998 American Institute of Biological Sciences
Neurotoxin Exposure Treatment Research Program (NETRP-98)
Early Detection of Neurodegenerative Diseases Program
- 1998 National Institute of Drug Abuse
Special Emphasis Panel
Neurobiological Effects of Drug Abuse Therapies
ZDA-KXN-G-08
August 3, 1998
- 1997 American Institute of Biological Sciences
Neurotoxin Exposure Treatment Research Program (NETRP-98)
Early Detection of Neurodegenerative Diseases Program

- 1997 National Institute of Drug Abuse
Special Emphasis Panel
Neurobiological Effects of Drug Abuse Therapies
- 1996 National Institute of Health
Special Review Committee (Neurology/AIDS)
Ad-Hoc Reviewer, December 5, 1996
- 1994 National Institute of Health
Medical Biochemistry Study Section (AHR-S1)
Ad-Hoc Reviewer, September 1, 1994
- 1993 - Present HIV Neurobehavioral Research Center
University of California, San Diego
Member, Scientific Advisory Board
- 1992 National Institute of Mental Health
Mental Health AIDS and Immunology Review Committee
Study Section, Ad-Hoc Reviewer, November 5-6, 1992
- 1991 The United States Department of Defense
Henry M. Jackson Foundation
Neurobehavior and HIV Review Committee Member
Site Visit to Washington, D.C., September, 1991
- 1990; 1992 Alzheimer's Disease and Related Disorders Research Fund
State of California, Technical Review Panel
- 1987 - Present American Foundation for AIDS Research (AmFAR)
Scientific Advisory Committee

EDITORSHIP

Editor, *Journal of Clinical and Experimental Neuropsychology* (1997-2011)

EDITORIAL BOARD MEMBERSHIPS:

Member, Editorial Board, *Journal of Clinical and Experimental Neuropsychology* (2011-present)
Member, Editorial Board, *Journal of the International Neuropsychological Society (JINS)* (1995-2004)
Consulting Editor, *Neuropsychology* (1994 - 1997)
Consulting Editor, *The Clinical Neuropsychologist* (1995 - present)

Associate Editor, *California Neuropsychology Society Newsletter* (1990 - 1995)

REVIEWER (AD-HOC) FOR:

Alzheimer's Disease and Associated Disorders Journal
The American Journal of Geriatric Psychiatry
Annals of Internal Medicine
Archives of Clinical Neuropsychology
Archives of General Psychiatry
Brain and Cognition
The Clinical Neuropsychologist
Developmental Neuropsychology
Drug and Alcohol Dependence: Contemporary Economic Policy
Journal of the American Geriatrics Society
Journal of the American Medical Association (JAMA)
Journal of Clinical and Experimental Neuropsychology
Journal of Consulting and Clinical Psychology
The Journal of Neuropsychiatry and Clinical Neurosciences: Assessment
Neurology
Neuropsychiatry, Neuropsychology and Behavioral Neurology
Neuropsychology
Psychological Assessment: A Journal of Consulting and Clinical Psychology
Psychological Bulletin
Psychology and Aging
Reviews of Infectious Diseases

Book Reviewer: Allyn and Bacon, Inc.
The University of California Press

PROFESSIONAL COMMITTEES:

1996 - 2001	Psychology Education Committee Weill Medical College of Cornell University
1993 - 1996	Faculty, UCLA Center on Aging
1992 - 1996	Member, Steering Committee UCLA Alzheimer's Disease Center
1991 - 1996	Human Studies Subcommittee Research and Development Committee

West Los Angeles VA Medical Center

- 1990 - 1992 Appointments and Advancements Committee
UCLA Department of Psychiatry & Biobehavioral Sciences
- 1990 - 1996 Faculty, Postdoctoral Geriatric Psychiatry & Psychology Training Program
Joint UCLA/VA Training Program
- 1988 - 1996 Faculty, Neurobehavior Postdoctoral Training Program
UCLA School of Medicine, Depts. of Neurology & Psychiatry
- 1988 - 1989 California AIDS Leadership Committee
Neuropsychiatric and Mental Health Subcommittee
(Governor's Task Force on AIDS)
- 1987 - 1991 Research and Development Committee
West Los Angeles VA Medical Center
- 1986 - 1996 Intern Training Committee
West Los Angeles VA Medical Center
- 1985 - 1996 Neuropsychology Post-doctoral Fellowship
Training Committee
Joint UCLA/VA Training Program

PROFESSIONAL MEMBERSHIPS:

Association for Psychological Science
International Neuropsychological Society
American Academy of Clinical Neuropsychology

SERVICE TO PROFESSIONAL ORGANIZATIONS:

- 2003 Program Committee Member
International Neuropsychological Society Annual Meeting, February, 2004
- 2002 Member, Council of Representatives
American Psychological Association
- 1999 - 2001 Member and Chair (2000-2001)
Committee on Psychological Testing and Assessment

- American Psychological Association
- 1999 - 2001 Member-at-Large
Board of Governors
International Neuropsychological Society
- 1997 - 2001 President, American Academy of Clinical Neuropsychology
- 1996- 2002 Member (Elected), Board of Directors
American Academy of Clinical Neuropsychology
- 1995 Program Committee Member
International Neuropsychological Society Annual Meeting, February, 1996
- 1994 - Member, Executive Committee
American Psychological Association, Division 40 (Neuropsychology)
- 1994 - Treasurer (Elected), Division 40 (Neuropsychology)
American Psychological Association
- 1993 Founding Member and Member of:
Curriculum & Nominations Committees
Chair, Nominations Committee
Association of Postdoctoral Programs in Clinical Neuropsychology (APPCN)
- 1993-1994 Program Committee Member
International Neuropsychological Society Annual Meeting, February, 1994

HONORS AND AWARDS:

Who's Who Among Students in American Colleges and Universities
Woodcock Honor Society (by appointment of the University)
Psi Chi National Honor Society, Past President, University of Louisville chapter
Dean's List, University of Louisville
Dean's Scholar, University of Louisville
Co-recipient of Blue Ribbon Research in Clinical Neuropsychology award for outstanding paper submission to Division 40, American Psychological Association annual convention, New Orleans, 1989, and Boston, 1999
Distinguished Scientific Achievement in Psychology Award, California Psychological Association, 1995

FUNDED GRANTS:

Principal Investigator:

van Gorp, Wilfred G. (Principal Investigator) Return to Work with HIV/AIDS: Neuropsychiatric Factors. NIMH. Support Years: 7/99 - 6/03. Total Award: 3,262,050.00.

van Gorp, Wilfred G. (Principal Investigator--Pathophysiology Core; George Alexopoulos, M.D., CRC Principal Investigator) CRC/Geriatric Mood Disorders. NIMH. Support Years: 12/01/97 to 11/30/02. Total Award: \$7,510,736.

van Gorp, Wilfred G. (Principal Investigator) Neuropsychology of HIV/AIDS Fellowship. NIMH. Support years: 11/01/97 to 10/30/02. Total Award: \$871,194.

van Gorp, Wilfred G. (Principal Investigator) HIV-Related CNS Abnormalities and Response to AZT. VA Merit Review Board. Support years: 04-01-88 to 03-31-91. Total Award: \$170,000.

van Gorp, Wilfred G. (Principal Investigator) Actual and Reported Neuropsychological Deficits in AIDS. American Foundation for AIDS Research. Support Years: 10-01-89 to 09-30-90. Total Award: \$60,000.

van Gorp, Wilfred G. (Principal Investigator) UCLA/APLA AIDS Fellowship in Neuropsychology. AIDS Project Los Angeles. Support Years: 8/1/95 - 6/30/97. Total award: \$59,000.00.

van Gorp, Wilfred G. (Principal Investigator) HIV-Related Neuropsychological and Cerebral Spinal Fluid Abnormalities. Burroughs Wellcome Company. Support Years: 04-01-88 to 03-31-90. Total Award: \$14,000.

van Gorp, Wilfred G. (Principal Investigator) AIDS in an aging society: What we need to know. Universitywide AIDS Research Program, University of California. Support Years: 07-01-94 to 06-30-95. Total Award: \$3,000.

Co-Principal Investigator:

van Gorp, Wilfred G. (Co-Principal Investigator; with Jeffrey Wilkins, MD, Co-Principal Investigator) Neuropsychological Sequelae of Cocaine Dependence. Department of Veteran's Affairs Merit Review Board. Support Years: 10-01-92 to 09-30-96. Total Award: \$483,000.

van Gorp, Wilfred G. (Co-Principal Investigator; Paul Satz, Ph.D., Principal Investigator) Neuropsychology AIDS Fellowship. NIMH. Support Years: 03-01-91 to 02-28-96. Total Award: \$350,000.

Co-Investigator:

van Gorp, Wilfred G. (Co-Investigator; George Alexopoulos, M.D., Principal Investigator) Developing CRC/Geriatric Affective Disorders. The New York Hospital: Cornell Medical Center. Support Years: 05-01-95 to 04-30-97. Total Award: \$ 1,496,933.

van Gorp, Wilfred G. (Co-Investigator; Lori Altshuler, M.D., Principal Investigator) MRI Studies of Bipolar Disorder and Alcohol Dependence. Department of Veteran's Affairs Merit Review. Support Years: 04-01-92 to 03-31-97. Total Award: \$311,400.

van Gorp, Wilfred G. (Co-Investigator; Charles Drebing, Ph.D., Principal Investigator) Distinguishing Dementia from Depression in HIV/AIDS. American Foundation for AIDS Research. Support Years: 10-01-91 to 09-30-92. Total Award: \$60,000.

van Gorp, Wilfred G. (Co-Investigator; Eric Bing, M.D., Principal Investigator) Neurobehavioral Factors in Black Men at Risk for AIDS. Support Years: 06-15-91 to 05-30-94. Total Award: \$3,504,111.

van Gorp, Wilfred G. (Co-Investigator; Jeffrey Cummings, M.D., Principal Investigator) UCLA-Alzheimer's Disease Clinical Research Center. NIA. Support years 09-30-91 to 06-30-96. Total Award: \$2,413,000

van Gorp, Wilfred G. (Preceptor; John Fahey, M.D., Principal Investigator) Fogarty AIDS International Training and Research Grant at UCLA. Support Years: 07-95 to 01-96. Total Award: \$15,000.

van Gorp, Wilfred G. (Co-Investigator; Roger Detels, M.D., Principal Investigator) Natural History of AIDS: Neurologic Manifestations Study. NIAID, NIH (Contract Number N01-AI-72631). Support Years: 04-01-87 to 03-31-93. Total Award: \$9,907,158.

PRESENTATIONS AND PROFESSIONAL MEETINGS:

1. Bouhoutsos, J., van Gorp, W., Eskapa, R., Krupp, G., & Shag, D. (1980). Psychologists' attitudes toward models of training and degree nomenclature. Paper presented at the 88th annual convention of the American Psychological Association, Montreal, Canada.
2. van Gorp, W. (1980). Comparing the professional school versus the traditional model as a graduate student. Presented at the 88th annual convention of the American Psychological Association, Montreal, Canada.
3. van Gorp, W., Meyer, R., & Dunbar, K. (1983). Efficacy of rapid induction analgesia and standard hypnosis on pain. Paper presented at the 91st annual convention of the American Psychological Association, Anaheim, CA.
4. Mitrushina, M., Satz, P., & van Gorp, W. (1987). Health status and WAIS-R Verbal versus Performance scores in the elderly. Paper presented at the 95th annual convention of the American Psychological Association, New York, NY.
5. van Gorp, W. (1987, November). HIV-related dementia: Pattern of cognitive disturbance. Invited address: The Spectrum of Dementing Illnesses Conference, University of South Carolina School of Medicine, Columbia, SC.
6. van Gorp, W. (1987). Neuropsychological processes (including memory) associated with normal aging. Invited address at: The Spectrum of Dementing Illnesses Conference. University of South Carolina School of Medicine, Columbia, SC.
7. van Gorp, W. (1987). Neuropsychological assessment and clinical sequelae of the AIDS-impaired patient. Paper presented at the 10th annual meeting of the California State Psychological Association, San Diego, CA.

8. van Gorp, W., Satz, P., & Mitrushina, M. (1987). Neuropsychological processes associated with the normal aging process. Paper presented at the 10th annual meeting of the International Neuropsychological Society, Washington, D.C.
9. Miller, E., Satz, P., van Gorp, W., Visscher, B., & Dudley, J. (1988). Computerized screening for HIV-related cognitive decline in gay men. Presented at the IV International Conference on AIDS, Stockholm, Sweden.
10. Osato, S., van Gorp, W., Satz, P., & Steinman, L. (1988). Reliability of the Satz-Mogel short form of the WAIS-R in an elderly demented population. Presented at the 11th annual meeting of the International Neuropsychological Society, New Orleans, LA.
11. Satz, P., Miller, E., Visscher, B., van Gorp, W., & Dudley, J. (1988). Changes in mood as a function of HIV serostatus: A three year longitudinal study. Presented at the IV International Conference on AIDS, Stockholm, Sweden.
12. van Gorp, W. (1988). The AIDS Dementia Complex. Presentation to Canada Telemed: A telephone lecture to the medical system of Canada.
13. van Gorp, W. (1988). Neuropsychological assessment and early detection of HIV-related dementia. Invited address to: AIDS and Mental Health: Beyond the Basics and Care for the Caregiver. Sponsored by the UCSF AIDS Health Project. Occidental College, Los Angeles, CA.
14. van Gorp, W., Cummings, J., Mitrushina, M., Satz, P., & Buckingham, S. (1988). AIDS, Alzheimer's disease and normal aging: A comparison study. Presented at the IV International Conference on AIDS, Stockholm, Sweden.
15. Freeman, D., Evans, G., van Gorp, W., Rosenbaum, J., George, L., Hamilton, J., et al. (1989). Attributional style and depression in HIV related illness. Presented at the V International Conference on AIDS, Montreal, Canada.
16. Leuchter, A.F., Newton, T., van Gorp, W., & Miller, E. (1989). Early detection of HIV effects on brain function. Paper presented at the annual meeting of the American Psychiatric Association, San Francisco, CA.
17. Mahler, M., Fishman, J., Aharon-Peretz, J., van Gorp, W., Dixon, W., Paz, D., & Benson, D.F. (1989). Assessment of dementia of the Alzheimer type: A study of the DAT Inventory and other neurobehavioral measures. Paper presented at the 17th annual meeting of the International Neuropsychological Society, Vancouver, B.C.

18. Miller, E., Satz, P., van Gorp, W., Visscher, B., & Dudley, J. (1989). Computerized screening for HIV-related cognitive decline in gay men: Cross-sectional analyses and one-year follow-up. Presented at the V International Conference on AIDS, Montreal, Canada.
19. Nelson, L., Satz, P., Mitrushina, M., van Gorp, W., Cashed, D., Lewis, R., & Van Lancker, D. (1989). Measuring personality change in brain-impaired individuals: Preliminary normative analyses. Presented at the symposium: Blue Ribbon Research in Clinical Neuropsychology, American Psychological Association annual convention, New Orleans, LA.
20. Satz, P., Hynd, G., D'Elia, L., van Gorp, W., Ledbetter, M., & Connor, R. (1989). A WAIS-R marker for accelerated aging and dementia, Alzheimer's type? Paper presented at the 17th annual meeting of the International Neuropsychological Society, Vancouver, B.C.
21. van Gorp, W. (1989). Division 44 sponsored day long workshop: Neuropsychologic manifestations of HIV-1 infection: Early detection of HIV encephalopathy. Annual Meeting of the American Psychological Association, New Orleans, LA.
22. van Gorp, W. (1989). Invited Address: Neuropsychological manifestations of HIV infection: Implications for clinical practice. Workshop presented to the Kentucky Psychological Association, Louisville.
23. van Gorp, W. (1989). Chair of Symposium: Novel and traditional approaches in the early detection of HIV-1 related dementia. Symposium presented at the 17th annual meeting of the International Neuropsychological Society annual meeting, Vancouver, B.C.
24. van Gorp, W., Mandelkern, M., Ropchan, J., Evans, G., Bland, W., Flynn, F., et al. (1989). Cerebral metabolic (PET) neuropsychologic and neurologic abnormalities in patients with AIDS. Presented at the V International Conference on AIDS, Montreal, Canada.
25. van Gorp, W., Miller, E., & Satz, P. (1989). Neuropsychological performance in HIV-1 immunocompromised patients. Paper presented at the 17th annual meeting of the International Neuropsychological Society, Vancouver, B.C.
26. van Gorp, W., Miller, E., Satz, P., & Visscher, B. (1989). Neuropsychological performance in HIV-1 immunocompromised patients. Presented at the V International Conference on AIDS, Montreal, Canada.
27. Gallway, R., Millington, J.T., Mirsky, A.F., & van Gorp, W. (1990). Neuropsychological consequences of hyperbaric nitrogen narcosis. Paper presented at the Annual Conference of the National Academy of Neuropsychology, Reno, NV.

28. Gallway, R.A., Millington, J.T., Wolcott, C.L., Mirsky, A., van Gorp, W., & Wilmeth, J.B. (1990). Neuropsychological effects following hyperbaric nitrogen narcosis. Presented at the Joint Meeting on Diving and Hyperbaric Medicine, Amsterdam, the Netherlands.
29. Gallway, R.A., Millington, J.T., Wolcott, C.L., Mirsky, A., van Gorp, W., & Wilmeth, J.B. (1990). Neuropsychological sequelae of hyperbaric nitrogen narcosis. Presented at the annual international meeting of the International Neuropsychological Society, Vienna, Austria.
30. Hinkin, C.H., van Gorp, W.G., Cummings, J.L., Mitrushina, M., Satz, P., & Freeman, D. (1990). HIV-1 Encephalopathy and normal aging: Pattern of neuropsychological test performance. Paper presented at the Conference on Neurological and Neuropsychological Complications of HIV Infection: A Satellite Conference of the VI International AIDS Conference, Monterey, CA.
31. Hinkin, C.H., van Gorp, W.G., Satz, P., Weisman, J.D., Freeman, D., Rogolsky, E.H., Hitt, R.S., & Buckingham, S. (1990). Relationship between CD4 levels and neuropsychological impairment among HIV-1 seropositive individuals. Presented at the Conference on Neurological and Neuropsychological Complications of HIV Infection: A Satellite Conference of the VI International AIDS Conference, Monterey, CA.
32. Holborn, P., van Gorp, W., Brodsky, M., & Mahler, M. (1990). Differentiating multi-infarct dementia from dementia of the Alzheimer type. Paper presented at the 10th Annual Conference of the National Academy of Neuropsychology, Reno, NV.
33. Koffler, S.P., Rao, S.M., van Gorp, W., & Schmitt, F. (1990). Neuropsychological evaluation of immune disorders: Systemic lupus, multiple sclerosis and HIV infection. Half-day workshop presented at the 10th Annual Conference of the National Academy of Neuropsychology, Reno, NV.
34. Mahler, M., Sultzer, D., Hinkin, C., Cummings, J., Mandelkern, M., Shapira, J., van Gorp, W., Khonsary, A., & Bland, W. (1991). Glucose PET in dementia: DAT and MID compared. Presented at the annual meeting of the American Academy of Neurology annual meeting, Boston, MA.
35. Miller, E., Satz, P., van Gorp, W., & Visscher, B. (1990). Neuropsychological manifestations of HIV-1 infection: Cross-sectional and longitudinal perspectives. Paper presented at the annual meeting of the International Neuropsychological Society, Orlando, FL.
36. Mitrushina, M., Satz, P., & van Gorp, W. (1990). Longitudinal analysis of attention and memory changes in normal aging. Paper presented at the annual meeting of the International Neuropsychological Society, Orlando, FL.
37. Mitrushina, M., Satz, P., & van Gorp, W. (1990). Stability and change in general vs. specific

components of intelligence in normal aging. Paper presented at the annual meeting of the International Neuropsychological Society, Orlando, FL.

38. Stenquist, P., Feraru, E.R., Aronow, H.A., van Gorp, W., Lawner, P., & Berger, J. (1990). Neuropsychological testing in progressive multifocal leukoencephalopathy. Presented at the Conference on Neurological and Neuropsychological Complications of HIV Infection: A Satellite Conference of the VI International AIDS Conference, Monterey, CA.

39. van Gorp, W.G., Hinkin, C.H., Freeman, D., Satz, P., Weisman, J.D., Rothman, P.J., Scarsella, A., & Buckingham, S. (1990). Depressed vs. non-depressed mood and its effect on neuropsychological test performance among HIV-1 seropositive individuals. Presented at the Conference on Neurological and Neuropsychological Complications of HIV Infection: A Satellite Conference of the VI International AIDS Conference, Monterey, CA.

40. van Gorp, W., Mandelkern, M., Gee, M., Paz, D., Dixon, W., Evans, G., & Freeman, D. (1990). Cerebral metabolic abnormalities in AIDS. Paper presented at the Society of Nuclear Medicine annual meeting, Washington, D.C.

41. Gallway, R., Millington, J.T., Mirsky, A.F., & van Gorp, W. (1991). Neuropsychological consequences of hyperbaric nitrogen narcosis II. Paper presented at the Pacific Rim meeting of the International Neuropsychological Society/ASSBI, Queensland, Australia.

42. Stenquist, P., Feraru, E., & van Gorp, W. (1991). Clinical neurocognitive improvement with zidovudine (AZT) treatment: A case study. Presented at the annual meeting of the National Academy of Neuropsychology, Dallas, TX.

43. van Gorp, W. (1991). Neuropsychological and brain imaging aspects of HIV-1 associated dementia. Invited paper presentation to the World Congress of Biological Psychiatry, Florence, Italy.

44. van Gorp, W., Mandelkern, M., Gee, M., Paz, D., Dixon, W., Stern C., Evans, G., Flynn, D., Hinkin, C., Ropchan, J., & Blahd, W. (1991). Cerebral metabolic dysfunction in AIDS. Paper presented at the 19th annual meeting of the International Neuropsychological Society, San Antonio, TX.

45. Drebing, C., van Gorp, W., Hinkin, C., Miller, E., Satz, P., & Kim, D. (1992). MMPI item analysis and depression in HIV. Presented at the 20th Annual Meeting of International Neuropsychological Society, San Diego, CA.

46. Drebing, C., van Gorp, W., Stuck, A., Beck, J., & Mitrushina, M. (1992). A neuropsychological screening battery for elderly pilots. Presented at the 20th Annual Meeting of International Neuropsychological Society, San Diego, CA.

47. Hinkin, C., van Gorp, W., Mandelkern, Stern C., M., Gee, M., Paz, D., Dixon, W., Evans, G., Ropchan, J., & Bland, W. (1992). Longitudinal positron emission tomography in AIDS. Presented at the 20th Annual Meeting of International Neuropsychological Society, San Diego, CA.
48. Hinkin, C., van Gorp, W., Satz, P., Miller, E., Drebing, C., Weisman, J., & Holston, S. (1992). Subject ascertainment bias and neuropsychological performance in HIV disease. Presented at the 20th Annual Meeting of International Neuropsychological Society, San Diego, CA.
49. Holston, S., Hinkin, C., van Gorp, W., Evans, G., & Frederick, C. (1992). MMPI-168 code types among HIV-1 seropositive gay males. Presented at the 20th Annual Meeting of International Neuropsychological Society, San Diego, CA.
50. Hom, D., Ponton, M., Gorsuch, R., & van Gorp, W. (1992). Cognitive functioning in HIV-infected persons: A meta-analysis. Presented at the Annual Meeting of the American Psychological Association, Washington, D.C.
51. Mitrushina, M., Drebing, C., Satz, P., van Gorp, W., Chervinsky, A., Costello, P., & Graham, J. (1992). The rate of changes in different memory components in DAT. Presented at the Annual Meeting of the American Psychological Association, Washington, D.C.
52. Mitrushina, M., Satz, P., Drebing, C., van Gorp, W., Harker, J., & Chervinsky, A. (1992). Differential pattern of memory deficit in normal aging. Presented at the Annual Meeting of the American Psychological Association, Washington, D.C.
53. Swales, T., van Gorp, W., Hinkin, C., Holston, S., Evans, G., Weisman, J., & Satz, P. (1992). Self-reported vs. objective cognitive impairment in symptomatic and asymptomatic HIV-1 infection. IV International Conference, Neuroscience of HIV Infection: Basic and Clinical Frontiers 1992, Amsterdam, the Netherlands.
54. van Gorp, W. (1992). Invited Half-day Workshop: Neuropsychological evaluation of the older adult. Given at: Department of Veteran's Affairs Regional Office and Outpatient Clinic, Honolulu, HI.
55. van Gorp, W. (1992). Age as a risk factor for AIDS Dementia: Is there an interaction between age and serostatus? In N. Miller (Chair), Ageing: Model and Risk-Factor for Neurobehavioral Dysfunction in AIDS. Symposium presented at the National Institute of Mental Health, Bethesda, MD.
56. van Gorp, W. (1992). The neuropsychology of normal aging and dementia. Invited lecture presentation to the conference: Diagnosis and Management of Neurobehavioral Problems in the Elderly. Invitation by: University of Hawaii Pacific Islands Geriatric Education Center and West L.A. Department of Veteran's Affairs Geriatric Research, Education and Clinical Center, Honolulu, HI.

57. van Gorp, W., Hinkin, C., Marcotte, T., Boone, K., Satz, P., & Weisman, J. (1992). Neuropsychological features of normal aging: Support for a frontal/subcortical model. Presented at the 45th annual meeting of the Gerontological Society of America, Washington, D.C.
58. van Gorp, W., Hinkin, C., Satz, P., Miller, E., Drebing, C., Weisman, J., Holston, S., Marcotte, T., & Dixon, W. (1992). Subtypes of HIV associated neuropsychological performance: A cluster analytic approach. Presented at the 20th Annual Meeting of International Neuropsychological Society, San Diego, CA.
59. Drebing, C., Moore, L.H., Cummings, J.L., van Gorp, W.G., Perlman, S., Hinkin, C., Cedarbaum, S., & Mahler, M. (1993). Patterns of neuropsychological performance among forms of subcortical dementia. Presented at the American Psychological Association annual meeting, Toronto, Ontario, Canada.
60. Nelson, L., Ceccetti, D., Satz, P., Stern, S., Mitrushina, M., & van Gorp. (1993) Personality and emotional concomitants of stroke. Presented at the 21st annual meeting of the International Neuropsychological Society, Galveston, TX.
61. Sultzer, D.L., Mahler, M.E., Hinkin, C.H., Mandelkern, M.A., Cummings, J.L., van Gorp, W.G., Quinones, N., Khonsari, A., Ropchan, J.R., & Blahd, W.H. (1993). Psychiatric symptoms are associated with cortical hypometabolism in patients with Alzheimer's disease. Presented at the 6th annual meeting of the American Association for Geriatric Psychiatry.
62. van Gorp, W. (1993) An introduction to neuropsychological testing. Presented at the 6th annual U.S. Psychiatric Congress, San Diego, CA.
63. van Gorp, W. (1993). Caregiving Challenges: Working with special populations. Workshop presented at the National Alzheimer's Disease Conference, Sponsored by the Alzheimer's Disease and Related Disorders Association, Chicago, IL.
64. van Gorp, W. (1993). Early detection of HIV-Associated dementia: Implications for the independent practitioner. Invited address to the American Psychological Association annual meeting, Toronto, Ontario, Canada.
65. van Gorp, W. (1993). Neuropsychological features of HIV infection: Scientific update. In J. Brandt (Chair), New Dimensions in Dementia Research. Symposium presented at the American Psychological Association annual meeting, Toronto, Ontario, Canada.
66. van Gorp, W. (1993). New developments in psychological testing. Presented at the 6th annual U.S. Psychiatric Congress, San Diego, CA.

67. van Gorp, W. (1993). State-of-the-art assessment approaches for HIV-associated dementia. Presented at the UCLA-sponsored Conference: Psychiatric Aspects of HIV Disease: Update from the Experts, Los Angeles, CA.
68. van Gorp, W. (1993). The other dementias (AIDS-related, alcohol related and others). Invited lecture to the conference: The Challenges of Dementing Diseases: Assessment and Interventions. Sponsored by the Geriatric Research, Education and Clinical Center. VHA Medical Center Sepulveda and UCLA School of Medicine, Los Angeles, CA.
69. van Gorp, W., Moore, L., Marcotte, T., Hinkin, C., Foster, J., Holston, S., Satz, P., & Weisman, J. (1993). Concordance among affective measures in HIV-1 infected individuals. Presented at the 21st annual meeting of the International Neuropsychological Society, Galveston, TX.
70. Hinkin, C., van Gorp, W., Marcotte, T., Foster, J., Campbell, L., Baluda, M., & Satz, P. (1994). The relationship between metacognition and episodic and procedural memory among HIV-infected individuals. Presented at the 22nd annual meeting of the International Neuropsychological Society, Cincinnati, OH.
71. Llorente, A., Stern, M., and van Gorp, W. (1994). Long-term effect of AZT on neuropsychological performance. Poster presented at: Pathogenesis of HIV infection of the brain: Impact on function and behavior. National Institute of Mental Health: Chantilly, Virginia.
72. Mitrushina, M., Drebing, C.E., Satz, P., van Gorp, W., Chervinsky, A., and Uchiyama, C. (1994). WAIS-R intersubtest scatter in patients with dementia of the Alzheimer's type. Presented at the 1994 annual convention of the American Psychological Association, Los Angeles, CA.
73. Sultzer, D.L., Cummings, J.L., Mahler, M.E., van Gorp, W.G., Brown, C., and Blahd, W. (1994). Cortical metabolic deficits are related to subcortical pathology in vascular dementia. Presented at the annual meeting of the American Psychiatric Association, Los Angeles, CA.
74. van Gorp, W., Marcotte, T., Satz, P., Miller, E., Selnes, O., Wesch, J., Becker, L., Jacobsen, L., Morgenstern, H., & Visscher, B. (1994). Evidence for cognitive reserve in HIV infection: Additional findings from the Multicenter AIDS Cohort Study. Presented at the 22nd annual meeting of the International Neuropsychological Society, Cincinnati, OH.
75. Williams, M., LoPresti, C., Hinkin, C., Satz, P., van Gorp, W., Stiehm, E. & Bryson, Y. (1994). Neurodevelopmental functioning in HIV infected infants. Presented at the 22nd annual meeting of the International Neuropsychological Society, Cincinnati, OH.
76. van Gorp, W. (1995). Neuropsychological tests: Uses and abuses in legal settings. Presented at the 20th annual conference of the American Academy of Psychiatry and the Law, New York, N.Y.

77. Durvasala, R.S., Hinkin, C.H., Satz, P. and van Gorp, W. (1995). The relationship between psychomotor speed and pure motor speed in HIV-1 infection. Presented at the 23rd annual meeting of the International Neuropsychological Society, Seattle, WA.
78. Hinkin, C.H., Sultzer, D.L., Mahler, M.E., Mandelkern, M.A., Cummings, J.L., van Gorp, W.G., Durvasula, R., Ropchan, J.R., and Bland, W.H. (1995). Frontal hypometabolism and executive dysfunction in Alzheimer's disease. Presented at the 23rd annual meeting of the International Neuropsychological Society, Seattle, WA.
79. van Gorp, W.G., Wilkins, J.N., Hinkin, C.H., Horner, M., Plotkin, D.P., Welch, B.A., Moore, L.H., Marcotte, T., Boris, S., Beckson, M., Wheatley, W.S. (1995). Acute versus persistent effects of cocaine use on neuropsychological functioning. Presented at the 103rd Annual Convention of the American Psychological Association, New York, New York.
80. van Gorp, W.G. (1995). Neuropsychological Assessment. Presented at the Region IX Hemophilia Program In-service Training: Managing the Neuropsychiatric Complications of AIDS. Sponsored by the UCLA AIDS Mental Health Training Program, the UCLA Center for Health Promotion & Disease Prevention, and the UCLA Schools of Medicine and Public Health.
81. van Gorp, W.G. (1995) Neuropsychological Testing: Interactive Session. Presented at the 1995 Board Review Course for the Examination for Added Qualifications in Geriatric Psychiatry, Santa Monica, California.
82. Mitrushina, M., Uchiyama, C., Satz, P., Drebing, C., van Gorp, W. & Chervinsky, A. (1996) Cognitive subtypes of dementia of Alzheimer's type. Presented at the 24th annual meeting of the International Neuropsychological Society, Chicago, IL.
83. Marcotte, T., van Gorp, W., Hinkin, C. & Osato, S. (1996) Validity of the Neurobehavioral Cognitive Status Exam subtests using a diverse clinical cohort. Presented at the 24th annual meeting of the International Neuropsychological Society, Chicago, IL.
84. Kalechstein, A.D., Hinkin, C.H., van Gorp, W.G., & Castellon, S. (1996). The effects of depression on episodic and procedural memory in HIV-infected persons. Presented at the 24th annual meeting of the International Neuropsychological Society, Chicago, IL.
85. Humphrey, L.A., Brumm, V.L., McMullen, W.J., Pachana, N.A., Stoddard, M., & van Gorp, W.G. (1996). Performances of mild and moderate TBI patients versus probable malingerers on measures of neuropsychological functioning. Presented at the 24th annual meeting of the International Neuropsychological Society, Chicago, IL.

86. van Gorp, W.G. & Hulkower, M.J. (1996). Neuropsychological testimony: Perspectives from the neuropsychologist and the attorney. Invited half-day workshop presented at the 24th annual meeting of the International Neuropsychological Society, Chicago, IL.
87. van Gorp, W. G., Altshuler, L.L., Dixon, W., & Theberge, D.C. (1996). Cognitive impairment in euthymic patients with bipolar affective disorder. Presented at the 51st annual meeting of the Society of Biological Psychiatry, New York, NY.
